Valves for compressed air, vacuum or gas service, Jiffy Hydraulic Drilling and Tapping equipment

Mufflers, Plastic Fittings & Proximity Sensors

Brass Fittings, Valves, Flow Controls & ISI Series Valves

Stainless Steel cylinders, Valves, Valve-in-head cylinders, Rotary Index Tables, Cyl-Checks®

Round Style Stainless Steel, Aluminum, Magnetic, Corrosion Resistant, & Linear Slide Cylinders

Air Filters, Regulators, Lubricators & Dryers

Electric Torque Controlled Screwdrivers

Pneumatic Tubing, Spiral Hoses, Tehnibond Tubing® & Free Angle® fittings

Grippers, Actuators, Slides & Structural Aluminum Extrusions

Torque Controlled DC Electric Tools

Air Tools, Motors, Auto Feed Drill Units & Electric Screwdrivers

Industrial Power Tools

Sensor solutions for the automation industry  
Inductive, Capacitive, Photoelectric, Ultrasonic & Laser Sensors

Electronic Assembly and Pressure Monitoring Equipment

Quick-Disconnect Couplings & Fittings for Plastic Tubing

Air Cylinders, Slides, Workholding Equipment & Accessories

Manual Toggle Clamps, Air Powered Clamps, Hydraulic Clamps

Automatic Screwfeeder Systems & Presenters

Mechanical & Ball Screw actuators and Rotary Unions

NFPA Tie Rod Cylinders  
LEADERS IN RODLESS CYLINDERS  
Cable & Trac-Trol Cylinders

Multi Spindle Drilling & Tapping heads for automatic drilling equipment

Aries Engineering Co., Inc.  
Hydra-Pneumatic Cylinders With 1-100 Tons of Force

Torque Controlled Electric Screwdrivers and Pneumatic Cutting Equipment

Storage Cabinets, Workbenches, Storage Wall

Redefining Technology  
Precision Regulators, Transducers, Diaphragm Cylinders

Valves, Cylinders & Components

Quick Disconnect Couplers  
Tubing, Recoil Hose & Fittings

Hose, Cable & Electrical Reels

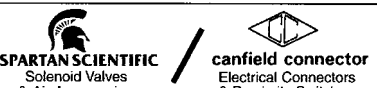

Air Cylinders, Power Multipliers & Specialty Cylinders

Rotary Actuators, Indexers & Steppers

Air Powered Cutting & Crimping Tools

Solenoid Valves & Air Accessories  
Electrical Connectors & Proximity Switches

Plastic One-Touch Fittings, Flow Controls & Rotary Joints

NFPA Tie Rod Air Cylinders, Multistage Air Cylinders

Torque Wrenches & Torque Measuring Equipment

Selffeeder Drill Units & Tappers

Actuators, Directional Control Valves, Air Preparation Units & Accessories

Rotary Actuators, NFPA Cylinders, Linear Actuators & Shot Pin Cylinders

Pneumatic & Hydraulic Valves

High Quality Vacuum Technology Components

Gear Drives, Cable Cylinders & Disc Brakes

Bench Mounted Workstation Organization Equipment

**WE ALSO SERVICE & REPAIR AIR TOOLS, ELECTRIC TOOLS, AND AUTO FEED DRILLS.**
